

Sign-In Information

A couple of reminders about registration.

1. You must have your handler's badge and drivers card (or gold copy) when you come through sign-in for every race.
2. We are asking all handlers to preregister for all races this year. You can do this by sending an email to ncqmatower@gmail.com with your drivers names and divisions. Please do this by 8 p.m. on Friday night for all Saturday races and by midnight on Monday night for all Tuesday races.
3. We will need help with registration this year. If you are able to help, please email me at ctseaton@nc.rr.com and let me know.

Thanks!
