

Subject: Region 3 Race on March 28th at Music City QMA

Well folks it is that time of the year again. Region 3 is gearing up for the first region race of the 2009 season. The first race will be at Music City QMA in Hermitage, TN on March 28th. Music City will be presenting 38” Copley Guitars to the A main feature winners in all competitive points classes. You can pre-register now on line at www.musiccityqma.com. Please note that pre-registration does not affect qualifying, but due to cost, Music City will only have guitars available for the classes with cars pre-registered. All novice drivers will receive trophies.

Music City is looking for trophy sponsors and program ad sponsors for the region race. The program is a great way to advertise your upcoming races or 2009 schedule! If you are interested, you can contact me for more information.

Please post information about this on your club websites.

Thanks,
Julie Wright
