

On Friday, March 7, 2008, the Salisbury community lost two firefighters in a fire that destroyed Salisbury Millwork. Being located in Salisbury, North Carolina, the North Carolina Quarter Midget Association (NCQMA) depends on the Salisbury firefighters and rescue teams should our children need their assistance while racing at the track. We consider these heroes our family and want to give back to the families of the fallen firemen, Victor Isler, 40, of Harrisburg, and Justin Monroe, 19, of Spencer.

Recently, NCQMA sold raffle tickets for the chance to win a set of right side tires. Due to the generous donation from Prowler Race Cars, Robbie Stanley Racing and Talon Chassis we were able to raffle off not one, but three sets of tires. Our raffle winners were Cody Acton, James Dobson and Brett Mueller.

On Tuesday, July 8th, we will be presenting a check to the Salisbury Fire Department for the Isler and Monroe families. Please join us at the track at 6:15 p.m. to show our support for the Salisbury firefighters and rescue teams and the Isler and Monroe families.
