**To:** All NCQMA Competitors  
**From:** Brett Mueller, NCQMA Tech Director

All members need to read the 2008 QMA National Tire Rule. NCQMA & Region 3 supports this policy 100%. Here is the link to this policy:

If at anytime during the race day, the NCQMA Tech or Safety Director ask you to change your tires, you must comply. If you do not change your tires, this will be a DQ for the day.
