

On Friday, March 7, 2008, the Salisbury community lost two firefighters in a fire that destroyed Salisbury Millwork. Being located in Salisbury, NC, NCQMA depends on the Salisbury firefighters and rescue teams should our children need their assistance while racing at the track. We consider these heroes our family and want to give back to the families of the fallen fireman, Victor Isler, 40, of Harrisburg, and Justin Monroe, 19, of Spencer.

NCQMA is currently selling raffle tickets for \$10.00 for the chance to win a set of right side tires. We will have three winners and the drawing will take place on April 5, 2008. You do not need to be present to win. All proceeds will be donated to the families of Victor Isler and Justin Monroe.

Tickets will be available at NCQMA on Saturday, April 5, 2008 or you can email Melissa Osborne at cosborne1@triad.rr.com if you are interested in buying a raffle ticket and will not be able to make it NCQMA prior to the drawing. Tickets will also be available at MAQMA on March 22nd and 29th.

A special thanks Prowler Race Cars, Robbie Stanley Racing and Talon Chassis for donating the tires for this raffle.
