

To all NCQMA Members,

On behalf of the MCQMRA, words cannot express how grateful they are for your recent donation to their club. NCQMA members raised \$725.85 to help toward the rebuilding of MCQMRA track. The money was collected during recent racing events in May and this month's club meeting. The MCQMRA would like to send their heartfelt thank you to each NCQMA member. The following are some quotes that were sent from the families and track members:

- We cannot thank you enough for the continual support and effort on our behalf!
- SWEET!! Thank you so much!!! After this past race weekend I may need to borrow it for mental therapy 😊
- Thank you again for all your help and for the microwave!!(this was given by one of NCQMA family)
- Thanks again for the donation as words really cannot adequately express our gratitude!
- WOW! Thank you so much for this!! Funds are starting to get a little low and this comes at a great time. Please tell everyone at NCQMA we said thank you and we appreciate this greatly!!
- Words really cannot describe the gratitude we feel and we simply cannot thank you and your club enough on behalf of our club. The effort alone and then any future donations are greatly appreciated...
- From all of us here at MCQMRA we want to give our most heartfelt "Thank you!" to all the board of NCQMA, the NCQMA kids, and families. Because of you we will be rolling cars out in time. The Quarter Midget racing community is something I am so proud to have my family a part of. The racing is intense, people may not see eye to eye sometimes, but when someone's in need, and it's the tightest group around!
- God bless all of you!!

When times get tough, it is nice to know that there are clubs like ours that step up and lend a helping hand. I would like to thank Denise Cline, Mary & Jeff Poling for their efforts in helping make this donation possible.
