

Welcome to the North Carolina Quarter Midget Association! We are very proud of our facility and the enjoyment that it brings everyone. In order to maintain its beauty and functionality, we have implemented two different, but related policies: (1) the Work Detail Policy and (2) the Race Day Opening/Closing Policy. Please review the policies provided and the requirements below. Make sure everyone associated with our race team is familiar with them. These policies will be strictly enforced and all decisions by the NCQMA Board of Directors are final.
