

RACE SHOP SALE

What: Yard sale for any racing related or race day type items

When: October 3rd in conjunction with Promo Day

NCQMA will hold its first ever racing item yard sale. The purpose is two-fold: a fund raiser for NCQMA and for you to pass on any items that you no longer need for your race team. The club will keep 5% of your sale for the fund raiser. So, if you sell an item for \$20.00, the club would get \$1.00 of that. Kimberly Anderson will set up and run the sale.

If you would like to participate, just do the following:

- Send an e-mail to Kimberly at ka6313@att.com that you will bring items to sell
- Kimberly will assign you a seller number
- Gather your items, attach an index card to each item with your seller number, price and brief description of the item
- Bring your items to the track on promo day, October 3rd. You can also drop items off to Kimberly before or after any of the September club races, as well. We will have tables and racks set up for the sale of the items. You just bring your items and drop them off with tags and we will do the rest.
- At the end of the promo day, come pick up any unsold items and collect your money. We will keep a list of seller numbers, collect your tags as they sell, pay the club 5% and pay you the rest.

Please make sure any belts or gear is current on the safety dates.

Some examples of good items are gently used racing suits, racing gloves, racing shoes, generators, coolers, tents, helmets, tools, racing parts, tires, chair for trailers, racing clothing, ear pieces, cooling fans, straps, etc.

If you have larger value items that you would like to sell, such as a car, you are welcome to stay to sell those items yourself and are not required to pay anything to the club (although a donation in any amount is always appreciated).
