

## Reserved Parking Fundraiser

In an attempt to raise money for targeted facility improvements, NCQMA provides the opportunity for its members to pay for reserved parking/pit spots around the track. Parking diagram of the NCQMA facility is located on the website. **Renewals must be paid for before by February 2, 2021, to keep existing spot.**

- **Cost:** Premium Electric parking annual fee of **\$200.00**. Regular parking annual fee of **\$60** (if purchased in November, will be valid the following year.) Note: If you have 2 spots in premium parking, only one will be assessed the \$200.00 fee, entitling you to one electric plug-in, the other would remain at \$60.00. No daily electric fee.
- NCQMA is not responsible for lost, stolen, or damaged trailers, RVs, quarter midgets, or other member property.
- Members are responsible for moving any trailers/RVs in their parking spot before mowing at the track or must mow/trim their parking spot themselves. Members will be notified of when mowing is scheduled via email. Failure to maintain parking spot will result in a \$20 fine per offense.
- Members are responsible for keeping their reserved parking/pit area clean and free of trash and debris.
- Vehicles are NOT allowed to be left in grass parking areas EXCEPT during designated race events.

**Please make any request to purchase or change parking spaces to NCQMA Secretary by completing this form. All requests will be dated & you will be notified when a requested spot becomes available.**

**Please complete and return to NCQMA Secretary.**
