

Track Practice Rules

NCQMA members MUST sign-in and sign-out on the form in the Scale House when practicing and put out fire extinguishers while cars are on the track

Open track practice will be free for NCQMA members ONLY. Open practice will be offered to non-NCQMA members for a fee of \$100 per day and must be arranged at least 3 days in advance with the NCQMA Board of Directors.

Practice Hours:

Mon-Tues-Thurs-Fri-Sat	9:00 AM – until dark
Fri before scheduled events	Ends at 10:00PM
Wed	9:00 AM – 5:00 PM
Sun	1:00 PM – 5:00 PM

These are the **only** open practice times unless posted otherwise on the website.

Practice is allowed during daylight hours only and overhead track lighting cannot be used for practice except for Friday nights before scheduled events during which the track lighting may be used. Friday night practice will end at 10:00PM.

When there are more than three (3) cars on the racetrack, a flagman is required. Track caution lights may be used during practice sessions.

There is NO parking inside the fence on the paved pit area.

Each regular NCQMA member family will receive a code that permits access to the following:

- Track entrance gate
- Restrooms
- Scale house

The code is to only be used by the family to whom it is registered.

There is no fee for NCQMA members to practice during daylight hours listed above.

Anyone practicing will be responsible for any damage(s) done during his/her practice session.

Please be courteous to all handlers and drivers during practice sessions by making all adjustments to cars in the hot chute and not on the track.

During winter months, the track is open for practice only when the temperature is ABOVE 40°F. When the temperature is 40°F or below, the track is closed. Restrooms may or may not be closed in the winter months. BOD will send notifications of restroom status.
